Subject:	Regulation on common market organisation (CMO) of agricultural products - Latvian comments

Further to the meeting of the Working Party on Agricultural Products on 25 October 2019, delegations will find attached the comments from the Latvian delegation.

1. Latvia supports that energy labeling and allergens should be labeled as mandatory information and the list of ingredients - outside the label.
2. *Recital 19 a)* and *Article 90a) point 1*- Latvia underlines the need to be define what in meant by '*minor non-compliance*' so that the control authorities can properly apply this requirement.
