Comments of Latvia on the Commission proposal (WK 10645/2020)

October 13, 2020

Latvian delegation would like to thank Commission for proposal and explanations given at AGRIFIN videoconference meeting on 7th of October. Our experience shows that we are successfully dealing with our tools. Nevertheless, when developing an IT system for the new programming period, we will try to match it with ARACHNE. However, it will take time and resources, therefore at the moment we consider that implementation could be on voluntary basis.
