Industry Working Party Flash

26 September 2022

Dear colleagues,

The Czech Presidency would like to invite you to the meeting of an **extended Working Party on Competitiveness and Growth (G.1), Industry**, which will take place on **Monday 26 September 2022 afternoon** in physical format (1+3).

This Working Party will be dedicated to **the financial aspects of the Chips Act** and budget and research attachés are invited to join this meeting.

To guide the discussion, the Presidency prepared **a background document** with questions for Member States. The Commission will also make a **presentation on the financial architecture** in the beginning of the meeting.

The main aim of the meeting is to **provide Presidency with guidance** in the form of Member States views on the financial architecture and sources rather than proposed amounts. To do this most efficiently the Presidency encourages Member States to **coordinate internally** amongst the industry, budget and research policy field.

We are looking forward to seeing you on 26 September.

The Czech Chips Team
