Working Party on Financial Services Review of the Markets in Financial Instruments Regulation (MiFIR)

**28 September 2022, 10:00 - 17:30
In-person meeting**

Agenda

This Working Party on Financial Services meeting will be held in two blocks. The morning session will focus on the issue of **consolidated tapes** (CTs): discussing the CT for bonds and ETFs and the sequencing of multiple CTs. The afternoon session will be devoted to the **non-equity** regulation part of the MiFIR review—all based on the proposals by the Czech Presidency. Also, the Commission will present one non-paper; guiding questions are put forward in the Presidency's non-papers to steer the debate among the delegations.
