50	7	We can't support a new article for the Competent Authority. We support the Council proposal.	

273/rev	8	We do not accept the amendment because the coordinating bodies are eliminated in the title of the article. And we disagree with to add mentions about regions. We prefer the Council proposal.	
63	9	We disagree with the deletion of article 9.

79 & 242	14(1) sub 3	Cannot be considered. We support the Council proposal.	
80	14(2) sub -1 (new)	This amendment is linked to the MFF that it has already established 450 MEUR.	

81	14(2) sub 1	We accept the 2nd subparagraph of amendment.	We do not accept to establish a ceiling of EUR 1500 million for the period 2021-2027. It has to be respected what has been agreed by the European Council Conclusions on the MFF.	
82 & 244	14(2) sub 1	We accept the amendment on the prior use of the revenues assigned to the EAGF and margins available.

84 & 247	14(2) sub 3		We do not accept and we prefer the Council proposal because it is in line with MFF.	
85	15(1) sub 1	We can accept this amendment as it is a way to improve the support to the outermost regions of the Union.		
86	15(1) sub 1 a (new)	We can accept as it includes the application to the beneficiaries over EUR 2000.		
87	19(6)		We do not accept due to it is not necessary to go through the Agricultural Funds Committee because slows down management.	
88	22(2)		Cannot be accepted due to the fact that the monitoring system not necessarily must be used for area control (see amendment 165).
