Dear colleagues,

The Czech Presidency would like to invite you to the meeting of the Working Party on Competitiveness and Growth (G.1), Industry, which will take place on **Thursday 6 October 2022** in physical format (1+1) as a morning only meeting. The aim of this Working Party is to discuss the Presidency working document with proposals for modifications to better reflect the harmonising component of **the Chips Act**.

This working document is already available in the Delegates Portal under **WK 12856/2022**. We are hoping that we can count on your support so that these modifications can be incorporated in the upcoming 3rd revised text.

We would also like to kindly remind you of the **Technical Workshop on Pillar III of the Chips Act** that will take place on 6 October (14:30 – 18:00) **online**. The agenda of the workshop has been already circulated, communication on the remote connection will follow.

We are looking forward to seeing you on 6 October and having again a fruitful discussion on the Chips Act.

The Czech Chips Team
