			interoperability between EU information systems ²¹ .	
17.	(8) To preserve the integrity of the Schengen area and to strengthen its functioning, Member States have, since 6 April 2017, been obliged to carry out systematic checks against relevant databases on EU citizens who are crossing the EU's external borders. Furthermore, the Commission issued a Recommendation to Member States to make better use of police checks and cross-border cooperation.	(8) <i>In an attempt</i> to preserve the integrity of the Schengen area and to strengthen its functioning reinforce the security of Union's external borders , Member States have, since 6 April 2017, been obliged to carry out systematic checks against relevant databases on EU citizens who are crossing the EU's external borders. Furthermore, the Commission issued a Recommendation to Member States to make better use of police checks and cross-border cooperation, in addition to the systematic checks already being carried out on all third-country nationals entering the Schengen area. However, it has proven necessary to use targeted checks in place of systematic checks at a number of external border crossing points, on account of the disproportionate impact of systematic checks on the flow of cross-border traffic²². [Am. 8]	(8) To preserve the integrity of the Schengen area and to strengthen its functioning, Member States have, since 6 April 2017, been obliged to carry out systematic checks against relevant databases on EU citizens who are crossing the EU's external borders. Furthermore, the Commission issued a Recommendation to Member States to make better use of police checks and cross-border cooperation.

[new Financial Regulation] ('Financial Regulation') ⁹² applies to this instrument. It lays down rules on the implementation of the Union budget, including the rules on grants, prizes, procurement, indirect implementation, financial assistance, financial instruments and budgetary guarantees. In order to ensure coherence in the implementation of Union funding programmes, the Financial Regulation is to apply to the actions to be implemented in direct or indirect management under the instrument.	
67.
