Consumer Protection Working Party Flash

Dear colleagues,

We would like to invite you to the meeting of the Working Party on Consumer Protection and Information (Attachés) that will take place on **12 October 2022** and that will focus **on the GPSR**.

The aim of the meeting is to inform you about outcomes of first Political Trilogue and technical meetings with the European Parliament and present you some drafting suggestions on Articles 1 to 19a where positions of the Council and the European Parliament differ. You will be asked to present your views on the drafting proposals, including on relevant recitals.

A 4-column document with Presidency drafting suggestions has been distributed through the Delegates Portal to serve as basis for discussion during the Working Party (WK 13511/22). Some rows have been marked green already because there is no difference between co-legislators. The Presidency does not intend to go through these rows during the meeting.

However, certain rows remain empty in the Presidency document. They concern, in particular, the provisions on precautionary principle, exemption from the scope of amusement parks (equipment) or rental bikes, responsible person. Regarding these provisions, the Presidency will refer you in detail the arguments of the European Parliament and ask your positions and counter-arguments that could be appropriate for the following negotiations. The Presidency is counting on your support.

We are looking forward to seeing you on 12 October.

Best regards,

Věra on behalf of the Czech Presidency team
