Danish Presidency 2025, 29 October 2025

State of play - Readmission

- DK Presidency counter-proposal to the EP's proposal (WK13649) has **informally been accepted by the EP**

- This means that we can **now provisionally close the outstanding issues related to readmission** in the ongoing negotiations

State of play – Rice

- Discussed the four options listed in our paper (WK13647) at our informal meeting on 16 October with EP

- Based on the discussion, both parties agreed to test the following options internally:

1) A fixed option based on a three-year average updated every second year with a 30 percent surge

2) A rolling average based on a five-year average updated every year with a 20 percent surge
