as regards the application of direct payments and support for

SCA meeting, 10 December 2018

**Mihail Dumitru
Deputy Director General
DG Agriculture and Rural Development**

RURAL DEVELOPMENT	DIRECT PAYMENTS
ANC phasing out payments	Flexibility between pillars (CY2020)
Technical assistance at the initiative of the Commission	Transfer product of reduction (CY2020)

Claim Year
2019 - 2020

Why now? Why urgent?

- **For DP**

- Co-legislators during 2013 reform didn't want to commit aspects related to next MFF
- Absolutely necessary for smooth financial management in CY2020
- Need to be in place by end of 2019

- **For ANC**

- Omnibus delayed areas delimitation to 2019, but same degressivity schedule
- Phasing-out payments would be too steep
- Need to be in place (adopted) by March 2019 (payment claims)

- **For COM TA**

- Legal framework does not allow support to pillar I
- Support to CAP Plan (CAP Network) requires legal adaptation
- Need to be in place by March 2019
