Presidency Flash

Meeting of the Attachés on 28 November 2025, Brussels

When	Where	Format
28 November 2025 14.30	JL 35.1	1+1

Dear Colleagues,

This flash has been prepared by the Presidency to aid the discussion amongst delegations at the meeting of the attachés on 28 November 2025 regarding the proposal for a Regulation of the European Parliament and the Council on the production and marketing of plant reproductive material in the Union, amending Regulations (EU) 2016/2031, 2017/625 and 2018/848 of the European Parliament and of the Council, and repealing Council Directives 66/401/EEC, 66/402/EEC, 68/193/EEC, 2002/53/EC, 2002/54/EC, 2002/55/EC, 2002/56/EC, 2002/57/EC, 2008/72/EC and 2008/90/EC (11502/23 + ADD 1).

Building on the work of previous presidencies, the Danish Presidency has so far carried out five Working Party meetings with the aim of obtaining a mandate to start the negotiations with the European Parliament.

Following the informal videoconference of the members of the Working Party on 21 November 2025, the Danish Presidency considers that all outstanding issues have been closed and that the text is ready for the next steps. At the attaché meeting, the Danish Presidency would like to know from Delegations whether they are ready to support the text (including the Presidency's compromise text on Article 80a) which will be put forward for agreement by the Permanent Representatives Committee in December.

Please refer to 15452/25/1 REV1 for the revised consolidated version of the text (excluding recitals which will be subject to analysis by the Working Party on 1-2 December).
