Raising awareness on copyright for cultural heritage, education and research institutions

European Commission - DG CNECT I.2 Copyright

10 February 2025

Project “Raising awareness on copyright for cultural heritage, education and research institutions”

- Follow up of ‘*Study on the role of copyright in distance education and research*’
 - Challenges and opportunities that PIIIs- libraries, museums, educational and research institutions - face when giving access to works in digital format for learning, education and research purposes.
 - One of the preliminary results: the lack of awareness and knowledge on copyright rules and practices.
- Objectives of the project
 - Foster knowledge and understanding of copyright rules and their practical application among the cultural, research and educational community.
 - Enhance and promote the exchange of good practices on access to and use of copyright-protected content, with a focus on cross-border collaboration.
