Subject:	Proposal for a Regulation of the European Parliament and of the Council establishing the Asylum and Migration Fund

Following the provisional agreement reached on the key political issues in December, which was presented to COREPER on 16 December 2020 (doc. 13861/20), and further to the additional work carried out at the technical level since, delegations will find, in the annex to this note, the updated and final version of the 4CT on AMIF reflecting, in the fourth column, the provisional agreement reached between the EP Rapporteur and the Presidency.

In addition to the work on the outstanding issues presented to COREPER, a number of necessary corrections to text which was provisionally agreed at the sixth trilogue meeting were identified and introduced. These have been highlighted in yellow in the fourth column of the 4CT in the annex to this note and include:

- alignment of the term 'fair sharing of responsibility', to reflect the terminology in the TFEU in lines 95b, 402b and 492c;
- in order to avoid duplication of text, a cross reference to Article 5a has been introduced in line 106a;
