WORKING DOCUMENT

From:	General Secretariat of the Council
To:	Working Party on Shipping
Subject:	DIRECTIVE OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL amending Directive 2005/44/EC on harmonised river information services (RIS) on inland waterways in the Community - Indicative checklist for the examination of the Impact Assessment

Based on the Interinstitutional Agreement (IIA) on Better Law-Making of 13 April 2016 and following a Coreper decision on examination of Commission impact assessments (IAs)*, it was agreed that IAs are to be examined at working party level with the help of an indicative checklist.

To this end and with a view to the discussions on the above proposal at the Shipping Working Party on 11 March 2024, delegations will find attached the indicative checklist, which is intended to help delegations prepare their views on the IA, as part of their consideration of the Commission's proposal.

Please note that the checklist is purely indicative and non-exhaustive, and should be used in a flexible way, taking into account what is relevant and appropriate for each legislative file. Delegations are not required to provide written replies, but can do so if they wish.

*For an overall description of the process, see document ST 6270/18.
