Reference:

- A. WK140025/2024 REV1 dated on the 8<sup>th</sup> of November 2024.
- B. EPF Implementing Rules –Book 2-Part II

1. Pursuant to reference A, along with the approval of the 2025 Budget, EUNAVFOR ATALANTA was granted the authorisation for outsourcing six (6) military capabilities, under article 0110, according to EPF Implementing Rules/Book 2/Part II/Art.5.2. The authorisation concerned, among others, the position of a Clerk/Internship data base manager.

4. According to EPF Implementing Rules/Book 2/Part VI art. 1, any recruitment of a contracted civilian shall be specifically authorized by the Facility Committee. In the light of the above and considering that the budget allocation for 2025 has already been done, therefore no additional appropriations are required, and that the amendments to the approved job description can be considered as minor, I kindly request the authorization to proceed with the contracting of the administrative clerk profile as described here in Annex A.

[REDACTED]

Finally I would like to take the opportunity to thank you and your team for the excellent support so far received and look forward to continue combining our efforts working for the operation.
