WORKING PAPER

This is a paper intended for a specific community of recipients. Handling and further distribution are under the sole responsibility of community members.

WORKING DOCUMENT

| | |
|----------|--|
| From: | Commission |
| To: | Working Party of Foreign Relations Counsellors |
| Subject: | RELEX/Sanctions: Questionnaire for Member States in order to collect information on the judgments and decisions to which article 4 and 6 of the Blocking Statute apply |

During the RELEX Sanctions Meeting on 30 November, it was announced that the Commission would prepare an additional questionnaire for Member States in order to collect information on the judgments and decisions to which article 4 and 6 of the Blocking Statute apply. The questionnaire has been finalised and is attached to this working paper.

Council Regulation (EC) No 2271/96 protecting against the effects of the extra-territorial application of legislation adopted by a third country, and actions based thereon or resulting therefrom ('Blocking Statute')

Request for Information regarding the judgments and decisions to which Article 4 or Article 6 applies

1. Member State

2. Have there been any cases under your national legislation in the context of Article 4?

yes no

3. If the answer to Question 2 is “Yes”, please provide links to the relevant decisions and/or judgments, as well as a short English summary and any other relevant information relating to steps taken by your authorities in this regard:

4. Have there been any cases under your national legislation in the context of Article 6?

yes no

5. If the answer to Question 4 is “Yes”, have those cases led to any judgments and/or decisions related to the recovery of damages?

yes no

If yes, please specify, providing links to the relevant decisions and/or judgments (if possible, to their English translation), as well as a short English summary:

A large empty rectangular box with a thin black border, intended for providing details. A large, light gray watermark with the word "PUBLIC" in all caps is oriented diagonally across the box from the top right towards the bottom left.
