Delegations will find in the annex the MT comments on Art. 7-13 and Annex V-VI of the TEN-E Regulation (ST 7553/21).

**MT written comments on the revised Presidency proposal for Articles 7 to 13 and Annex V and VI of the TEN-E Regulation.**

**Article 8:**

Regarding Article 8 (6), on the issue of setting up offshore one-stop-shops, we support other Member States (e.g. CY, PL, FR, EL, DE, FI) which raised concerns regarding the additional administrative burden this would create and question the added value such one-stop-shops would bring.

Additionally, whilst noting that discussions on one-stop-shops should be undertaken within the specific Regional Groups at a later stage, the administrative and financial set-up of these one-stop-shops remains unclear.
