Dear colleagues,

We are happy to welcome you to our second meeting of the Working Party on Technical Harmonisation (Dangerous Substances – Fertilisers) dedicated to the proposal on digital labelling of EU fertilising products.

This **afternoon (only) meeting** will take place on **3 May** at **14:30** in the Council Building.

We will during this meeting do an article-by-article examination of the proposal for **amending Regulation (EU) 2019/1009 as regards the digital labelling of EU fertilising products**.
