Internal Market Working Party Flash: Ecodesign Regulation Flash for the meeting of 3 May 2023

Dear Colleagues,

We are welcoming you to the next meeting on the Ecodesign Regulation on May 3, where we will examine the fourth compromise text (doc. 8613/23) with a view to presenting the text to Coreper I on 10 May and reaching a general approach in the next COMPET Council on 22 May.

Several delegations have raised a proposal excluding motor vehicles from the scope of the Regulation in Article 1. We would, apart from remaining objections towards the fourth compromise, like MS to indicate whether they would oppose such an exclusion.

The meeting is a **half day attaché** meeting that will start **10.00 a.m.**

Looking forward to seeing you,

The Swedish Presidency Ecodesign Team
