Proposal for a revision of the Package Travel Directive

Dear colleagues,

We are happy to invite you to the next meeting of the Consumer Protection and Information Working Party on **26 April at 10 AM**. During this meeting we will **continue the article-by-article examination** of the Commission's proposal for a directive amending directive 2015/2302 on package travel and linked travel arrangements (PTD). The Presidency intends to resume discussions from **Article 12a (vouchers) and continue with the subsequent articles** of the proposal.

As announced during the previous working party meeting, **Commission DG MOVE will join our discussions during the afternoon session**. DG MOVE will provide delegations with information on the links of the PTD and the proposal for a revision of the regulations on passenger rights (2023/753) and the proposal on passenger rights in the context of multimodal journeys (2023/752), with particular attention to the interaction of these instruments with the B2B refund right introduced in Article 22, para 2 of the PTD.

We look forward to seeing you all again on the 26th. In the meantime, please feel free to contact us regarding any queries you might have.

Kind regards,

The Belgian Consumers Team
