FLASH

Working Party on Pharmaceuticals and Medical devices

4 June 2019, JL 35.4, 10.00
(CM 3039/19)

Dear Colleagues,

For this last meeting of the Working Party on Pharmaceuticals and Medical Devices during the Romanian Presidency we intend to start at 10:00 sharp.

The Presidency proposes to discuss the structure and tasks of the Coordination Group and its sub-groups, based on a revised paper which will be sent out shortly (WK 6722/2019). We intend to tackle the following points:

- the involvement of sub-groups and the Coordination Group itself in different processes;
- the outcomes of processes, is there any division operational/more strategic?
- in connection with the above, decision-making levels for different outcomes.

We expect this discussion to continue during the Finnish Presidency.

Just before lunch, at 12:30, you are invited to the traditional group photo event, which will take place at EB S3.2.

We intend to break just after that, to allow you to join our UK colleagues for the lunch they kindly host in their Permanent Representation.

In case there are any points that you would like to raise under AOB, we kindly invite you to inform the Presidency (presedintie.sanatate@ms.ro) and the Council Secretariat in advance (life.pharmaceuticals@consilium.europa.eu).

The Romanian Presidency health team,
