Subject: Retail Investment Strategy: end of non-objection procedure

Dear Financial Services Attachés,

Copy to RIS experts,

Please be informed that the non-objection procedure is now closed and that two delegations informed the Presidency that they cannot agree to the revised texts as agreed with the European Parliament.

The Presidency nevertheless concludes that there is sufficient support to the texts and intends to proceed as announced in the launch of the non-objection procedure **o the inclusion of this file at COREPER II on 3 June as a non-discussion item.**

The Presidency would like to thank all delegations for their constructive spirit throughout the finalisation of this file.

Best regards, Presidency RIS team
