## Working Party on Company Law

Dear colleagues,

We are pleased to share with you information on the upcoming attaché meeting that will take place on 28 June. It is a half day meeting, starting at 10.00, but we might finish already at 11.30.

As you know, on 8 June we debriefed the Working Party of the 1<sup>st</sup> trilogue on the proposal for a Directive on Corporate Sustainability Due Diligence and amending Directive (EU) 2019/1937 (CS3D). On 12 June we informed the Working Party of the 1<sup>st</sup> technical meeting on CS3D. Thereafter, the Swedish presidency has represented the Council in three additional technical meetings – 16, 19 and 20 June.

During the technical meetings, articles 1, 2, 4–7 and the beginning of article 8 have been examined. The examination will continue in the forthcoming technical meetings that will take place 28, 29 and 30 June.

At the attaché meeting on 28 June, we will inform the Working Party of the outcome of the ongoing technical meetings. Delegations will be invited for questions or comments.

Should you have any question ahead of the meeting, do not hesitate to contact us.

We take this opportunity to once again thank you all for the good cooperation we had during the Swedish presidency.

We look forward to seeing you all on 28 June!

Catarina, Thomas, Frida, Rolf, Mikael, Drenushe, Jonas
