FI Presidency Flash: WORKING PARTY ON PHARMACEUTICALS & MEDICAL DEVICES

Thursday, 25 July 2019, 10.00-18.00, Council Justus Lipsius building (50.1) (CM 3644/19)

Dear Colleagues,

Our last Working Party meeting before the summer break will take place on Thursday, 25 July, and it will focus on the HTA proposal. The meeting is planned for a full day. We will start at 10.00 and hope to conclude by 18.00.

As we informed you in the opening meeting on 5 July, in the upcoming WP meeting our intention is to continue discussions on Articles 3-9 of the proposal based on a Presidency paper. This paper (WK 8668/2019) outlines some key elements which according to the Presidency should be taken into account in our further work.

Again we very much welcome also the Member States' experts to the meeting.

In case there are any points that you would like to raise under AOB, we kindly invite you to inform the Presidency [REDACTED] and the Council Secretariat [REDACTED] in advance.
