b. "Farmer", "Active Farmer" and "Eligible hectare (a)" provisions

Following discussions at SCA on 8 June 2026, it was agreed that further technical discussion on the definitions of "farmer" and "active farmer" would be required. Based on issues previously raised by Member States concerning part (a) of the definition of "eligible hectare", this aspect appears related to the definition of "active farmer". The Irish Presidency will circulate guiding questions in advance of the meeting. (WK 9074/2026, not yet available).

Delegations are invited to comment.

c. The Presidency will summarise the discussions and inform about next steps.
