of the members of the
Ad Hoc Working Party – MFF NDICI
Sequence of the meeting
Monday, 14th September 2020, 11h00–12h00**

Brussels, 20 February 2023

On Monday 14th September, we will hold an informal videoconference of the members of the Ad-hoc Working Party on NDICI. The meeting will take place from 11h00 to 12h00. It will be hosted by the Council using the Council videoconference platform PEXIP. The delegations will shortly receive relevant practical information and login details to access the meeting. Delegates are kindly invited to test their connection prior to the meeting.

At the meeting, we propose the following sequence of issues:

- 1. Adoption of the agenda (11.00)**
- 2. Draft completed Council negotiation mandate (11.05–11.55)**

A Presidency proposal for a completed mandate for negotiations with the EP has been presented and discussed with Member States at the informal videoconferences of the members of the Ad hoc Working party on NDICI on 7 and of 10 September. Based on these discussions and additional horizontal guidance, the Presidency has circulated a revised proposal (WK 8777/2020 REV 1). The objective of the meeting on 14th September will be to find agreement on the text and submit it to COREPER for adoption as swiftly as possible (16 September), in order to unlock remaining chapters in negotiations with the EP.

3. AOB (11.55–12.00)

Delegations who wish to raise an issue under AOB are kindly asked to notify the Presidency by email by 10h00 on Monday, 14 September at the latest.
