The Working Party will continue the examination of the proposal starting with Article 44 and continuing until Article 74. Please note that in connection with Article 46, a discussion on Annex VII will also take place. If time allows discussion on Article 3, points (29) and (29b) and Article 26 will also take place.

The Presidency is currently preparing a revised text on the articles, which will be published on the Delegates Portal before the meeting. Comments previously received from delegations are being considered during the revision.

For Articles 44 to 74, as well as for Annex VII, the revised text is based on the text of the Hungarian Presidency (document 15979/1/2025 REV1).

PUBLIC

For Article 3, points (29) and(29b), and for Article 26 the revised text is based on the text of the Polish Presidency (document 9647/25).

Delegates are invited to note that we have cleaned the text of the previous Presidencies to make it more readable and to avoid double markings.

The Presidency intends to conclude discussions on the articles and Annex VII and reach agreement on the text. Therefore, delegates are invited to focus on the key points of the articles in question while expressing their positions at the meeting. The Presidency does not anticipate a call for written comments after the meeting.

We therefore encourage delegations to prepare their contributions for the meeting accordingly.

A representative from the Community Plant Variety Office (CPVO) will be present during the meeting.

2. Any other business

Delegations are invited to inform the Presidency (**DELETED**) and the General Secretariat of the Council (LIFE.3@consilium.europa.eu) of any other business that they would like to raise in advance of the meeting.
